Touchfree™ Liquid Dispenser

Reduce the expense and complexity of individual bottles, packets or towelettes.

The Adams Rite touchless Liquid Dispenser allows a passenger to take soap or hand sanitizer without having to touch the dispenser. The Sanitizer Liquid Dispenser can be mounted on any wall that is not in the path of egress.

Features:

- Cross platform compatible with Boeing and Airbus aircraft
- Reliability (MTBUR): >30K Flight Hours
- Battery operated or permanently wired options are available
- Patent pending

The Adams Rite Advantage

For over 80 years Adams Rite has brought innovation to the Aerospace industry. Our team has been working over the past year to understand each customers' unique needs and drive new concepts to upgrade aircraft lavatories to touchless. Our liquid dispenser can be used for hand sanitizer, hand soap and other liquids.
