Touchfree™ Hand Dryer

The perfect balance of weight, size, power consumption and noise level.

Leveraging Adams Rite's 50+ years of design experience in aviation lavatories, we have engineered the Touchfree Hand Dryer. It is a perfect balance of weight, size, power consumption and noise level. Keep the lavatory cleaner, create less waste and reduce trash removal. With our Touchfree Hand Dryer you can also reduce the cost of operations because restocking hand towels will be a thing of the past.

Features:

- Cross platform compatible with Boeing and Airbus aircraft
- Reliability (MTBUR): >40K Flight Hours
- Power: 50W
- Patent pending

The Adams Rite Advantage

The technology that goes into our touchfree hand dryer is unmatched. Our engineering team has created a product that will help airlines reduce the cost of operations, offer passengers improved cleanliness and enhance the flight experience.
