TouchfreeTM Liquid Dispenser

Reduce the expense and complexity of individual bottles, packets or towelettes.

The Adams Rite Touchfree Liquid Dispenser provides passengers with a premium touchless experience. The Touchfree Liquid Dispenser is wall or table mountable, easy to refill, portable, and can be custom designed for your needs.

Features:

- Cross platform compatible with Boeing and Airbus aircraft
- Reliability (MTBUR): >30K Flight Hours
- Battery operated or permanently wired options are available
- Customizable industrial design
- Patent pending

The Adams Rite Advantage

For over 80 years Adams Rite has brought innovation to the Aerospace industry. Our Touchfree Liquid Dispenser can be used for hand sanitizer, hand soap and other liquids. We will continue to evolve our products to meet the challenges of today and the future of air travel.
